

“I didn’t know that a fire could take hold so fast.
Suddenly, everything was burning”

– Eirik (32)

ALT VI KAN
MOT BRANN

The stove is the biggest source of domestic fires. A stove guard automatically turns the stove off if a situation becomes dangerous. Stove guards save lives.

“I should have kept a better eye on it,
but the cooking oil caught fire so fast”

– Jamina (43)

The stove is the biggest source of domestic fires. A stove guard automatically turns the stove off if a situation becomes dangerous. Stove guards save lives.
